Dr. Peter Ernst collection of Dr. George William Ross papers
1918-1983

Gift of Dr. Peter Ernst 2011

Includes research, notes and drafts for a biography of Sir Frederick Grant Banting (1891-1941) by Dr. George William Ross (d.1948), friend and colleague of Banting. Ross' father was the fifth Premier of Ontario from 1899-1905, Sir George William Ross (1841-1914). Dr. G.W. Ross lost both his sons in World War II. The bulk of the material covers the 1920s to 1941, the year of Banting's death. Banting's letters to his mother, medical colleagues and others are included.

Inclusive dates 1918-1983.

Extent: 9 boxes and 1 item (2 metres)

Box 1 74 folders	Dr. G.W. Ross biography of Banting Early insulin letters and notes, 1918-1922
Folder 1	F.G. Banting holograph notes [attributed to] regarding WWI, 1918, 8 pages
Folder 2	Dr. G.W. Ross holograph notes on Banting and military service, 1919
Folder 3	1920 manuscript notes on verso
Folder 4	Typed copies of TL to Banting from Clarence L. Starr, December 14, 1920
Folder 5	Typescript notes on insulin by Dr. Moses Barron November 1920
Folder 6	'Research Work and Teaching by Sir Frederick G. Banting' by Frederick R. Miller, 1920 typescript
Folder 7	Dr. Ross holograph notes 1921 On early life/beginning of experiment notes
Folder 8	Dr. Ross holograph notes 1921 'Onset of Diabetes'
