

HOENIGER, F. DAVID COLLECTION

Manuscript
Collection

239

A small collection of material collected by Professor David Hoeniger, in the course of researching the forgeries of John Payne Collier (1789-1883). In June 1985 it was presented to the Library by Professor Hoeniger who retired at that time from the English staff of Victoria College, University of Toronto, where he had taught since 1953.
