International Forum Foundation

B1972-0019

Included in the fonds is material related to the following Teach-in's organized by the International Forum Foundation and held at the University of Toronto:

1965 – Revolution and Response

1966 – China: Coexistence or Containment

1967 – Religion and International Affairs

1968 – Exploding Humanity: Crisis in Numbers

The following file list is intended as a preliminary finding aid. Files are not arranged according to each of the Teach-in's listed above. To locate material related to a particular Teach-in, patrons should refer to the dates associated with each of the files and note that some files also contain material from more than one Teach-in.
