Custodial history

This collection was previously maintained by the L'Arche Daybreak community of Richmond Hill, ON. Material was received by the Nouwen Archives on October 25, 2004, March 30, 2006, and before May 17, 2011. Deed of Gift for the material was received March 2, 2010. Multiple attempts were made to organize and arrange this collection since 2006. A preliminary arrangement was created by Jessica Barr over the summer of 2009. The arrangement and description was finished by Jessica Barr between May-September, 2011.

Scope and content

Collection consists of audiovisual materials featuring recordings of events given by and used by members of l'Arche International/Internationale. This material includes 1708 audio cassettes, 37 videocassettes, 8 film reels, and 78 audio reels. Much of the material features recordings created at L'Arche retreats internationally, such as the Covenant Retreat, Renewal Retreat, and Faith and Light Retreat. Prominent speakers include Jean Vanier, Henri Nouwen, Joe Egan, Robert Larouche and Sue Mosteller. The majority of the audio files feature Jean Vanier, usually speaking at retreats. The film reels are recordings made and collected by L'Arche Daybreak, and feature a CBC film on Daybreak (from 1970), pilgrimages and trips made by Faith and Light and Daybreak. There is also a film reel of Jean Vanier. Collection has been arranged into eight series:

1. Head of House and regional meetings
2. Covenant retreats
3. Faith and Sharing
4. Federation meetings
5. Assistants' retreats and meetings
6. L'Arche Renewals
7. Other events, talks, and speakers

8. Audio reels and film reels

Collection also includes a binder which functioned as a catalogue for many of the cassettes that were housed at l'Arche Daybreak until 2004 and 2006. This binder is located in series 7.

Notes

Title notes

Arrangement

- Title based on contents of the collection.
- Accession numbers apply to accessions in the Henri Nouwen fonds database.
- See series level descriptions for more information.
- Items are numbered using the first accession number for the collection (2004 05), although some cassettes are from one of the other accessions. For consistency, the beginning accession number was used for every cassette, and a note was made in the 'Accession Number' field if cassettes had a different accession number than 2004 05.
- While the cassettes have been organized into series, it is possible that some cassettes could fit within multiple series, or have been filed in another series due to information on the label, despite the fact that the cassette could belong in another series as well.
- Information about l'Arche International as an organization, as well as about l'Arche events and Faith and Sharing, was gathered for the records describing the l'Arche Collection from the l'Arche International website (www.larche.org), Sr. Sue Mosteller, Jean Christophe Pascal, and the Faith and Sharing fonds-level description in the Kelly Library Special Collections and Archives database.

Series descriptions

Series 17-1: Head of House and Regional Meetings

Date: 1979 - 1984 (date of creation)

Scope and content:

Series consists of 68 audio cassettes made during the course of Head of House meetings or Regional meetings of L'Arche International. The Head of House provides support for the Community Leader by taking direct responsibility for the home. The Leader administrates the overall community, but the Heads of Houses take on the responsibilities of the home for the Leader. The Community Leader regularly meets with Heads of Houses to hear details, issues, listen to questions, to make community announcements, and create a supportive community around any situations that may need support.

Series 17-2: Covenant Retreats

Date: 1981 - 1997 (date of creation)

Scope and content:

Series consists of 248 audio cassettes made during Covenant Retreats. L'Arche recognized that the word "Covenant" is close to describing the spirituality of the organization; that God wanted to 'make a covenant', a bond and commitment to the people of Israel. For assistants that begin to see l'Arche as a vocation, and want to make a longer term commitment and see themselves being called to be at l'Arche by God, there are retreats that support them in that spirituality. These Covenant Retreats provide a space for those that have announced, or are considering, their Covenant and provide support for those Assistants. The Covenant Retreats happen about once a year in Europe and North America where most of the l'Arche communities are, and happen less frequently in India, Central America, South America, Africa, India, etc.

Mediation, relaxation and silence are a primary focus of the retreats; music and song are also considered important and there is often a theme song chosen for a retreat. There are

Note:

Title based on contents of the series. For more information, see the Faith and Sharing/Foi et Partage fonds. From an email from Sr. Sue Mosteller: "Faith and sharing: Faith and Sharing is a 'cousin' of L'Arche. It is a completely different organization and has to do with giving retreats where people with disabilities and others meet and pray together. It exists in North America mainly and began when Jean Vanier came to Canada to give retreats in the 70's and 80's. Then others took it on and organized and

gave the retreats as well. Canada has a strong Faith and Sharing Community both in the west and in Quebec.</p>"

Series 17-4: Federation meetings

Date: 1975 - 1993 (date of creation)

Scope and content:

Series consists of 40 audio cassettes made during Federation meetings of L'Arche International. The communities of l'Arche belong to the International Federation of l'Arche. This is the umbrella for all l'Arche communities around the world. There is an International l'Arche Board of Directors and International Council of l'Arche that organize, raise funds, and continue to keep the dynamism of all l'Arche communities in the world.

Many meetings happen at the level of the Federation – like International Board Meetings, International Council Meetings, Zone Meetings, International Retreats, and once every six years there is an International Federation Meeting with representatives from each of the 130 communities around the world. Elections for the International Council and Board take place at the Federation Meeting, as well as a celebration of new communities and introduction to the culture where the meeting is held. People with disabilities usually attend this meeting, and find it rich with meaning, lots of celebrations, and interesting learnings.

In 2012, the Federation Meeting will take place in Atlanta, GA, and will host around 300 people from around the world. The last meeting, in 2006, was held in Calcutta, India.

Series 17-5: Assistants' Retreats and Meetings

Date: 1979 - 1994 (date of creation)

Scope and content:

Series consists of 169 audio cassettes and 7 videocassettes made during retreats and meetings given by and for assistants of L'Arche International. The assistants are those individuals that live and work in L'Arche communities and assist the core members. From email from Sr. Sue Mosteller, "L'Arche feels it's important to support those who live and work day in and day out in the homes with the people, so it calls them together for formation sessions, leadership training, and retreats for the spiritual journey. Because l'Arche is Ecumenical and Interfaith, the retreats are very beautiful with recognition of people's individual traditions and an attempt to find meaningful ways to pray and worship together. Often the meeting ends with a celebration of the Washing of the Feet - which symbolizes the serving and being served, the blessing and being blessed of each person in l'Arche."
