## Administrative history / Biographical sketch

---

### Note

Throughout much of the University's history, matters of alumni and fund raising were managed by the President, Bursar, and Board of Regents. Beginning in 1975, a separate office was created to manage these responsibilities: the Department of External Relations and Development. Minor name changes have occurred since that time in 2002 and the 2010s. A committee of the Board of Regents continues to monitor and encourage matters relating to alumni and advancement.

2002 - The name changed to the Alumni Affairs and University Advancement Department.

[201-?] (exact year unknown) - The name changed to the Office of Alumni Affairs & Advancement.

---

## Scope and content

---

Fonds consists of the records of Larry Davies, the Director of the External Relations and Development Department, primarily outgoing correspondence as well as records documenting the relationship between the Department, alumni, and alumni groups such as the Alumni of Victoria College (AVC) and the Emmanuel College Alumni/ae Association.
