Biographical Note

William E. Carswell was born on June 21, 1897 in Uxbridge Ontario. After serving in WWI, Carswell enrolled in the Faculty of Applied Science and Engineering and graduated from the University of Toronto with a degree in Architecture in 1924. In 1929, he began lecturing in architecture and rose through the ranks to become full Professor of Architecture, 1958-1966. In 1959, Carswell designed the stained glass window for the rose window in the West Hall of University College. Carswell was a colour specialist and when he left the University in 1966 to become a consultant, he was made Professor Emeritus. He died in Toronto in 1980.
